

**How To Use
Unifrog:
The Career
Planning Tool**

StudentServices

What is Unifrog?

Unifrog is a one-stop-shop where students can easily explore their interests, then find and successfully apply for their next best step after school.

Unifrog will help you to explore your key interests and what career paths you can take to reach your goals!

Sign in now at unifrog.org/sign-in

First time registration with Unifrog

When you sign in for the first time, you will use a Form Code which will link you with your Form Tutor.

A screenshot of the Unifrog sign-in page. On the left, there is a 'Sign in' form with fields for 'Your email address' and 'Your password', a green 'Sign in' button, and a link for 'Forgotten your password?'. A large blue arrow points from the 'Sign in' button to the right-hand side of the page. On the right, there is a box titled 'Been given a Form Code?' with a link that says 'Sign in for the first time'. Below this, there is a section for 'Teacher or Referee?' with a note: 'We've combined the sign-in pages! Please use this page to log in as normal.'

unifrog

See your tutor for your form code or ask one of the Careers team in Student Services.

Complete the signup page

Enter your form code and use an email address that you access frequently.

unifrog

We suggest you use your home email address so you can use it even when you have left college.

Every time you login to Unifrog from now on, sign in here

If you forget your password, hit the link to reset (remember to check your junk/spam just in case!)

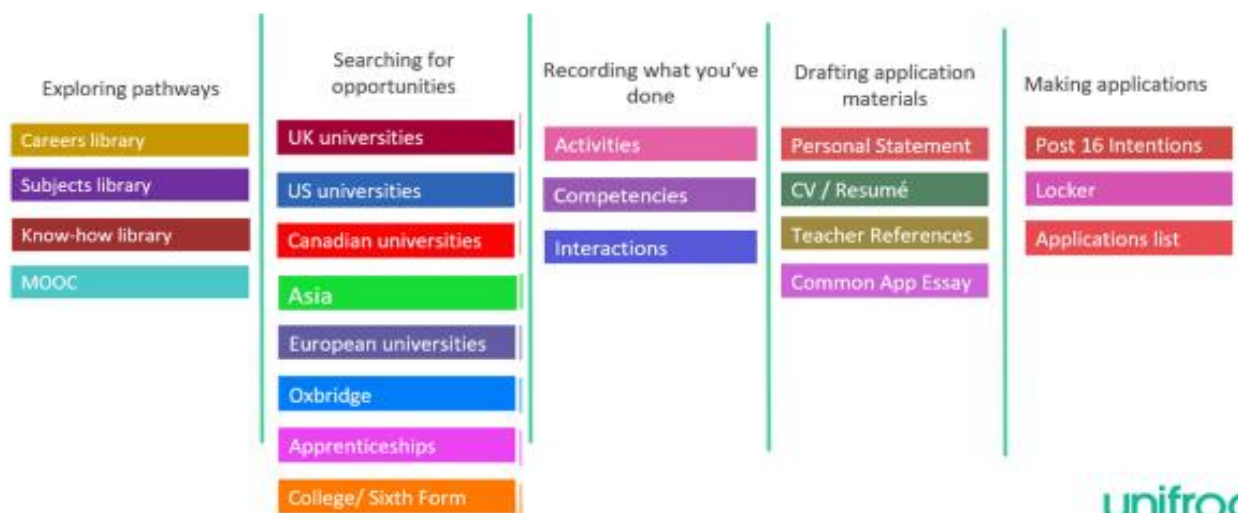

unifrog

How can Unifrog help me now?

- Explore what subjects you would be interested in studying Post 18 and how these choices can lead to different career paths and further education.
- Discover and sign up to online courses in areas that you're interested in.
- Explore how to successfully apply to an apprenticeship or university course, including universities abroad.
- Support in writing a CV and Cover Letter.
- Record key activities and achievements to use in your application.
