BTEC Level 2 and 3 Business

Vocational Business is an incredibly popular and consistently successful course to study at Runshaw. We offer both Level 2 and Level 3 courses, with progression and achievement at the forefront across both levels. Our students learn a number of crucial skills designed to prepare them for the world of business – from accounting to marketing, and from law to retail.

The majority of our students progress on to fantastic university courses and sponsored degrees with major employers. In addition, successful completion of the course can also open the door to fantastic higher level apprenticeships and ultimately, lucrative employment.

On Level 2 students have the opportunity to undertake 25 hours of dedicated work experience in an industry/function of their own choice to enhance employment opportunities. On Level 3 learners are actively encouraged through the dedicated Work Placement unit at Runshaw College to identify work placement opportunities to enhance University and Employment applications.

A great feature of the course here at Runshaw is the fantastic enrichment on offer. During November the School of Business run their extremely popular one week trip to New York, taking in business visits to locations such as Macy's, United Nations, Bank of Federal Reserve, the Rockefeller Centre as well as a fantastic tourist boat trip on the Hudson taking in all the sights. In the first term alone students get to enjoy trips to Blackpool Pleasure Beach, the Trafford Centre and Rock & River all linked to specific units of study.

A fantastic range of guest speakers attend the courses including representatives from the English Legal System, Chamber of Commerce,

TUC, Balfour Beatty, Conlons and Manchester United FC.

As well as all the guest speakers as part of our enrichment offering, our college tutors themselves have run their own business(es) or managed in the private sector, providing authentic, first-hand experience of applying business in real life.

If you have an entrepreneurial streak, a creative spark and have big, bold ideas for a potentially lucrative career, then Vocational Business at Runshaw is for you!
