Essential Digital Skills

- Update your digital skills
- Get ahead in the workplace
- Be confident on the internet

Apply Now for your
February Class!

17 week course

Focus your skills in:

Problem Solving

Find digital solutions to digital problems using online tools.

Transactions

Apply for services, safely buy and sell, and manage all your transactions online.

Handling Content

Find, create and manage content, safely, securely and in line with GDPR data laws.

Communication

Communicate, share, celebrate and inform safely and effectively online.
