# Supporting Teaching and Learning

**This course is designed to prepare you to support the teacher and the delivery of curriculum within a school, as well as introduce the skills necessary to help children develop self-esteem, independence and skills for learning.**

## Duration

30 weeks part-time.

## Price

£708.50\* FREE subject to eligibility.

## Learning Method

This course is currently fully delivered in the classroom. This is under regular review.

## Entry Requirements

You should have GCSE Grade A\*-C/Grade 9-4 in either Mathematics or English, or an equivalent qualification. If you only have one of these qualifications, you must be willing to undertake the other alongside this course.

We offer Functional Skills courses in English and Maths and can create an individual learning programme tailored to your needs.

You are also required to undertake a minimum of 80 hours work placement in a setting. You should arrange this placement yourself prior to the start of the course.

You will need to complete a DBS for this course and in doing so will need to provide 3 ID documents. These can include; Birth Certificate, Driving License, Passport, Bank statement or a letter.

## What will I learn?

The course is delivered by a mixture of College based classes and workshops, supported by practical experience in the work setting. You will be required to undertake a minimum of 80 hours work placement, which you need to arrange yourself.

Attendance at placement should be throughout the duration of the course. In addition to College based study, it is expected that you will undertake independent research and directed study.

## Course units
