For Pearson/BTEC if you require a review of marking **and** a copy of the reviewed script then the ATS fee is additional to the R2 fee (example – the fee would be £44.50 + £13.80 = £58.30) this service type is referenced as R2a (please see key on Request, Consent and Payment Form)

For AQA you will receive a copy of the reviewed script free of charge.

¹ This service is to request a copy of script to support a non-priority **review of marking**

² Where a copy of a post-review of marking script is required, this should normally be applied for at the same time as the review of marking request to meet the relevant non-priority RoR service deadline
