# C&G Level 2 Chef Diploma

Students can experience much more than the kitchen, by developing a wide range of skills across variable areas of catering and hospitality, including:

- Hotels – chef, restaurant, bar, reception, concierge, conferencing and events
- Large scale events and outside catering
- Restaurants – choose from Michelin star/branded bistro/gastro
- Cruises or private yachts
- Bakery and Confectionery

At Runshaw, students can look forward to the following:

- Guest Chef Demonstrations.
- Local placements to suit the individual, including – Midland in Manchester, Moor Hall (Ormskirk), Lakeside Hotel, Preston Leyland Hotel, Rose & Crown Ulnes Walton, Retreat, and Travellers Rest Euxton.
- Meeting industry experts and hearing their career stories.
- Visits and Guest Speakers from the likes of Northcote Manor, MSK, Lakeside Hotel and the Samling Hotel.
- Competitions – gain experience and make an impression.
- Fundraising and volunteering activities - last year our catering students raised over £1000 for charity, making a difference and enhancing their CVs.
- Experience working in superbly equipped professional kitchens with outstanding resources.
- Exposure Club - this is a possible opportunity open to all our chefs; the chef that goes the extra mile, who shows commitment and enthusiasm could be invited to take part in an extracurricular activity, this may involve going on a dining experience or exploring other specialist areas of the industry.

With a shortage of hospitality staff, there are many opportunities for fast paced progression into management. If you want an exciting career that is both fun and fulfilling with international opportunities, the Hospitality, Catering & Tourism Industry could be for you!
