Principles of Management and Leadership (RQF)

This qualification will give you the core skills to lead a team successfully and the confidence to tackle difficult issues, like underperformance. You'll learn how to plan, allocate and monitor work; tools and techniques to develop yourself as a leader; and how to get the most from your team.

Duration

9-15 months (self-paced)

Price

£1,299, you can opt for individual units for £249

Learning Method

This course is delivered through a flexible, online learning platform, alongside optional tutor support sessions.

What will I learn?

The course comprises the following units:

- **UNIT 1** IAG Level 3 Principles of Management and Leadership
- **UNIT 2** Principles of Management and Leadership
- **UNIT 3** Principles of Communication in the Workplace
- **UNIT 4** Developing and Sharing Good Practice
- **UNIT 5** Responding to Conflict in the workplace
- **UNIT 6** Managing a team to achieve results
- **UNIT 7** Principles of equality and diversity and inclusive working
- **UNIT 8** Managing Own Personal and Professional Development

Entry Requirements

- Learners need to be employed in any line of work and are either a team leader or aspiring to be a team leader.
- Access to a computer with internet access.

Each learner will need to provide their CV and have it approved by the curriculum.

Course units

-  Project Management
-  Managing Self
-  Organisational Culture and Strategy
